### 三、 阅读理解（共 5 小题；每小题 4 分，满分 20 分）

阅读下列短文，从每题所给的四个选项（A、 B、 C 和 D）中，选出最佳选项。

Going to a friend's house is very exciting. You may spend time with a friend and get to see where he lives, so remember to be polite.

#### **When to arrive:**

The first thing to remember is that you need to arrive on time. If your friend tells you to come "around 3 : 00", that means you can turn up a little bit after 3 : 00. But usually it is a good idea to arrive at the right time.

#### **What to bring:**

Often it is also nice to bring something to your friend's house. This could be a box of chocolates, maybe a movie, or you can bring some flowers. A little gift is a nice way to show your friend that you are excited to be at his house.

#### **How to greet:**

When you visit your friend's house, you may also meet his parents. You should tell them who you are and they may tell you their names. As a child, I went to visit my friend Paul. I called his parents by their first names John and Mary. But now I know it is more polite to call them Mr. or Mrs. Smith, or call them Madam or Sir.

It is a cool thing to visit a friend's house. Be polite to your friend and your friend's parents, and you will be invited again!

21. If you are told to get to your friend's house around 5:00 p.m., it is polite to arrive at \_\_\_\_\_ p.m.

- A. 5:02                      B. 4:50                      C. 4: 30                      D. 5: 30

- A. money                      B. chicken and apples  
C. chocolates or flowers                      D. wine and meat

23. When the writer was a child, he called his friend's father \_\_\_\_\_.

- A. Smith                      B. John                      C. Mary                      D. Paul

24. Which is the best title? \_\_\_\_\_.

- A. When to arrive at your friend's house  
B. How to greet people  
C. What to bring to your friend  
D. How to be a good visitor
